Section II. (Remarks)

A review of the claims allowed in the above-identified U.S. patent application has revealed the presence of minor punctuation errors in claims 43 and 84, in that the final punctuation in each of such claims should have been a period, rather than a comma. This Amendment is being submitted to correct said errors and place the allowed claims in proper form for issuance of the patent thereon.

If any issues remain outstanding, the Examiner is requested to contact the undersigned attorney at (919)419-9350 to discuss same.

Respectfully submitted,
